

### What is the goal of Enfoque México?

To establish a network of spiritual movements in every department at every university in Mexico City and its surrounding areas.

### What is Enfoque México? Mexico Focus?

Enfoque México is a strategy to work with churches, organizations, businessmen, leaders, and students to give every university student in Mexico an opportunity to be a part of a spiritual movement focused on Jesus Christ.

University.  
Every Department.  
Every Student...

So every student will have an opportunity to know and follow Jesus.

### Why should you join this historic effort in Mexico City?

- Because you long to impact thousands for Jesus Christ
- Because you can help launch movements everywhere
- Because God is calling you to make a radical difference
- Because you can

"A missional spiritual community for every student in every department in every university."

### Opportunities to change Mexico City:

#### Mexico Journey

What can happen in seven weeks during a summer in Mexico? More than you can imagine. Help launch movements in the most influential cities of the country in a journey that will change you and hundreds of Mexican students.

#### Semester Stop Out

Take a break from classes for a semester. They'll still be there when you come back. For four months you'll join a long term team partnering with churches, visiting campuses, trusting God for leaders and coaching students to reach their universities.

#### STINT

Come for a year and radically impact Mexico City and the country. You'll be launching movements, networking churches, pastors and leaders and coaching students throughout the city and the country. You'll come home equipped to plant movements and train leaders in your community and around the world.

### How can you be a part of Enfoque México?

- Pray that God will give you a vision to change lives in Mexico City and the country.
- Believe that God can use you to help plant thousands of spiritual movements in Mexico City. He wants to use you to build His kingdom.
- Go! Visit [www.MexicoFocus.com](http://www.MexicoFocus.com) to learn how to apply.
